

Description

This production line is consist of 6 sets of large press machine,tonnage from 1200 Ton to 2250 Ton. it is used to produce the vehicle metal stamping parts, greatly save labor and improve the stamping efficiency. The investment for this production line is over 15 million US dollars.

In our factory , many similar robot mechanical have been equipped, they are used in our metal stamping line, welding line. it can raise the operation safety and save labor, reduce the labor cost.

Sheet metal fabrication welding supplier, china sheet metal fabrication, chnia custom stainless steel sheet metal supplier

Specifications

| | |
|---------------------|---|
| Place of Origin | Jiangsu, China (Mainland) |
| Brand Name | HOUDRY |
| Model Number | Custom Made |
| Certificate | ISO9001:2015/SGS |
| Material | Stainless Steel/Iron/Aluminum |
| Fabrication Process | Stamping, Bending, Laser Cutting, Welding, Forging, Casting, Maching |
| Tolerance | ±0.1mm |
| Surface Treatment | Mirror Polishing, Powder Coat, Zinc Plate, Paint, Brushing as per drawing |
| Service | Custom OEM/ODM sheetmetal fabrication service |
| Supplier Type | Manufacturer/Fabcicator/Factory/Designer |
| Package | Standard package/individual package for export or as requested |
| Delivery time | 7 - 20 working days or negotiable |

More Products

Company Introduction

HOUDRY is the biggest height adjustable desk manufacturer in Suzhou China. Strong management team with deep experience in consumer products and technology. George - owner of the Fanfeng Group (founded in 2008) studied from Japan. Over 10 years of experiences specializing in the production of sheet metal parts. Have more than 300 partners of the metal parts every year since 2010. Metal parts are not enough for us. HOUDRY established in 2014 and develop our adjustable desks and linear actuator. In 2018 created a new brand UPLIFTEC. Investment almost 3 million dollars on height adjustable desk and linear actuator project.

Suzhou Houdry Mechanical and Electrical Technology Co., Ltd. is a manufacturing factory which engaged in sheet metal fabrication services since 2008. Now our factory covers 12,000 square meters, with 250 employees including 8 senior engineers and 10 quality engineers. Houdry has good cooperative with SIEMENS, AMADA, AMETEK, OERLIKON, etc. Annual value of \$16 million. Houdry can provide various of sheet metal fabrication service, such as sheetmetal stamping parts, laser cutting, cnc machining, welding, bending, forging, casting, etc. and surface

treatments such as painting, anodize, power coating, zinc-plating etc.

Our sheet metal fabrication products are widely used in various areas such as cold chain products, net working products, bus air condition unit, inverter metal forming parts and track safety door part.

Our main customers are from overseas markets such as Germany, the United States, the United Kingdom, France, Singapore, and Sweden.

Our Factory

Our company can provide various of sheet metal fabrication service, such as sheetmetal stamping parts, laser cutting, cnc machining, welding, bending, forging, casting, etc.and mirror polishing, powder coat, zinc plate, paint, Brushing as per drawing.

Equipment

We have laser cutting machine, robot welding machine, bending machine, stamping machine, cnc machining centers, milling machine, grinding machine, injection mold machine and so on equipments. Can produce most metal products.

Laser Cutting Machine

Robot Welding Machine

CNC Machine

Bending Machine

Production Process

1. Blank

2. Bending

3. Plating

4. Riveting

5. Bending again

6. Forming

Our Package

Standard package/individual package for export or as requested. Sheet metal parts are usually packed in carton box, then packed in plywood pallets or plywood boxes.

FAQ

1. How can I get the quotation?

Please kindly send us the drawing of your product, details below should be included: materials, surface finish, tolerance, quantity. We will provide you with a product quotation within 2 working days! If you don't have a drawing, please send us the sample.

2. Do you provide samples? is it free or extra?

We can provide free sample. However, you have to pay the cost of courier by express like: DHL, TNT, UPS and FEDEX.

3. What is the process to place the order?

A. send us the drawings to get a free quotation.

B. we will make a sample for you to check the quality.

C. batch production will be proceed after sample is qualified and our service is accepted.

4. Do you support product customization?

Yes, all the customized orders are welcomed.

5. The surface treatment type we can handle?

Powder coating, paint, polish, brushed, galvanized, anodized. sand blasting.

6. What is the payment method?

Samples are paid via Paypal and T/T is 100% paid.

Bulk orders: T/T 30% prepaid, the balance should be paid before shipment.

7. Which Shipment way is available?

1. By sea to your nearest port. 2. By air to your nearest airport. 3. By express (DHL, UPS, FEDEX, TNT, EMS)

to your door.
