Product description

	<u>, </u>			
Packaging detail	standard package/individual package for export or as requested			
Delivery time	7 - 20 working days or negotiable			
Item	sheet metal parts			
Manufacturing process	laser cutting/stamping/polishing			
Material	stainless steel			
Surface treatment	mirror polishing, powder coat, zinc plate, paint, brushing as per drawing.			
Thickness of part	0.5mm-16.0mm			
Tolerance	±0.1mm			
Package:	standard package/individual package for export or as requested			
Certificates:	ISO 9001:2015 /SGS			
Shipping:	by ocean, by express, by air			
Payment term	Fist order:T/T30% in advance, T/T 70% against copy of B/L or L/C			
Major markets	North America, West Europe, Australia
