Product description

Item	sheet metal fabrication		
Manufacturing process	laser cutting/tapping/riveting		
Material	stainless steel		
Surface treatment	mirror polishing		
thickness	0.5mm-16.0mm		
Tolerance	±0.1mm		
Package	Safe carton case or wooden case		
Quality control	ISO 9001:2015 /SGS		
Shipping	by ocean, by express, by air		
Payment	Fist order:T/T30% in advance, T/T 70% against copy of B/L or L/C		
Major markets	North America, West Europe, Australia
