

Adjustable height desk : a beautiful durable and environmentally friendly stand up desk

Advantage

- 1.conceived for writing or reading while standing up or while sitting on a high stool
- 2.Perfect the details of the design
- 3.Make the long tedious invalid meetings discuss only practical
And effective work ,stand can more effectively improve work efficiency
- 4.in order to do exercise the blood circulation

Description

Input Voltage	AC90-240V can use
Output Voltage	DC24V
Dynamic load	120kg/265IBS
Load speed(mm/s)	30
Duty Cycle	10% max 2 min, continuous use
Lifting Range	620-1270mm
Adjustable Frame	1100-1600mm or option
Certificate	CE UL ROHS SAA
G/W. N/W	43kg/41kg
Package size	1080*270*330mm/pcs

Color Black , white, gray or option

Item no HDR-A6

Equipment Features

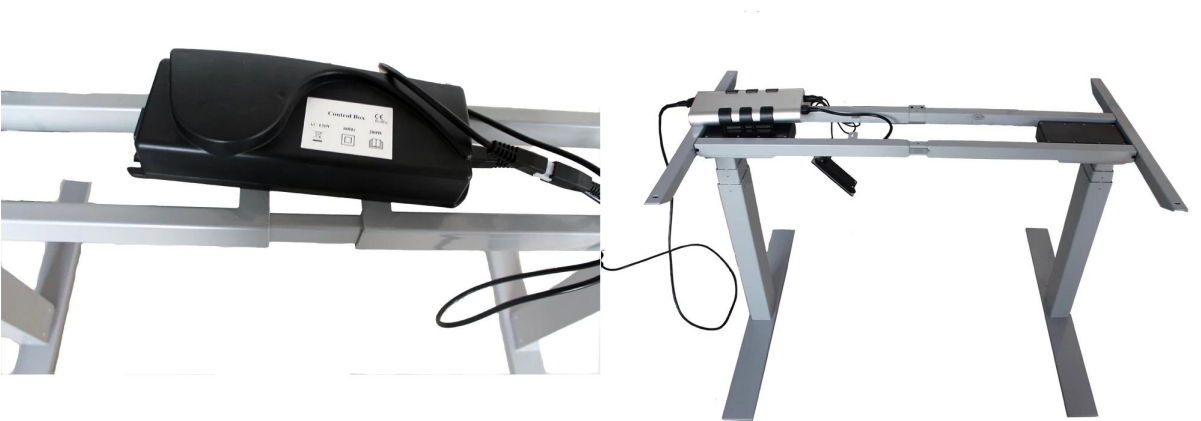

1. With thickening metal parts stable personality weight reach to 41kg
2. Easy to assembly and storage. Electric control with up/down switch
3. Motor metal case has ultra-thin design
4. More capacitive touch screen memory handset Apple LCD

5.More convenient to tear open outfit
