

## Description

China metal sheet fabrication, SPCC refers to the continuous rolling of steel ingots into steel coils or sheets of required thickness through a cold rolling mill. SPCC surface does not have any protection, it is easy to be oxidized when exposed to the air, especially in a humid environment, the oxidation speed is accelerated, dark red rust appears, and the surface should be painted, electroplated or otherwise protected when in use. Wholesale sheet metal products.

Custom-made sheet metal processing supplier, Modern sheet metal fabrication include: filament power winding, laser cutting, heavy duty machining, metal bonding, metal drawing, plasma cutting, precision welding, roll forming, sheet metal bending, die forging, water jet cutting, etc.

## Specifications

Place of Origin	Jiangsu, China (Mainland)
Brand Name	HOUDRY
Model Number	Custom Made
Certificate	ISO9001:2015/SGS
Material	Stainless Steel/Iron/Aluminum
Fabrication Process	Stamping, Bending, Laser Cutting, Welding, Forging, Casting, Maching
Tolerance	±0.1mm
Surface Treatment	Mirror Polishing, Powder Coat, Zinc Plate, Paint, Brushing as per drawing
Service	Custom OEM/ODM sheetmetal fabrication service
Supplier Type	Manufacturer/Fabicator/Factory/Designer
Package	Standard package/individual package for export or as requested
Delivery time	7 - 20 working days or negotiable

## More Products

## Company Introduction

HOUDRY is the biggest height adjustable desk manufacturer in Suzhou China. Strong management team with deep experience in consumer products and technology. George - owner of the Fanfeng Group (founded in 2008) studied from Japan. Over 10 years of experiences specializing in the production of sheet metal parts. Have more than 300 partners of the metal parts every year since 2010. Metal parts are not enough for us. HOUDRY established in 2014 and develop our adjustable desks and linear actuator. In 2018 created a new brand UPLIFTEC. Investment almost 3 million dollars on height adjustable desk and linear actuator project.

Suzhou Houdry Mechanical and Electrical Technology Co., Ltd. is a manufacturing factory which engaged in sheet metal fabrication services since 2008. Now our factory covers 12,000 square meters, with 250 employees including 8 senior engineers and 10 quality engineers. Houdry has good cooperative with SIEMENS, AMADA, AMETEK, OERLIKON, etc. Annual value of \$16 million. Houdry can provide various of sheet metal fabrication service, such as sheetmetal stamping parts, laser cutting, cnc machining, welding, bending, forging, casting, etc.and surface treatments such as painting, anodize, power coating, zinc-plating etc.

Our sheet metal fabrication products are widely used in various areas such as cold chain products, net working products, bus air condition unit, invertor metal forming parts and track safety door part.

Our main customers are from overseas markets such as Germany, the United States, the United Kingdom, France, Singapore, and Sweden.

## Our Factory

Our company can provide various of sheet metal fabrication service, such as sheetmetal stamping parts,

laser cutting, cnc machining, welding, bending, forging, casting, etc.and mirror polishing, powder coat, zinc plate, paint, Brushing as per drawing.

## Equipment

We have laser cutting machine, robot welding machine, bending machine, stamping machine, cnc machining centers, milling machine, grinding machine, injection mold machine and so on equipments. Can produce most metal products.

Laser Cutting Machine

Robot Welding Machine

CNC Machine

Bending Machine

## Production Process

1. Blank

2. Bending

3. Plating

4. Riveting

5. Bending again

6. Forming

## Our Package

Standard package/individual package for export or as requested. Sheet metal parts are usually packed in carton box, then packed in plywood pallets or plywood boxes.

## FAQ

1. How can I get the quotation?

Please kindly send us the drawing of your product, details below should be included: materials, surface finish, tolerance, quantity. We will provide you with a product quotation within 2 working days! If you don't have a drawing, please send us the sample.

2. Do you provide samples? is it free or extra?

We can provide free sample. However, you have to pay the cost of courier by express like: DHL, TNT, UPS and FEDEX.

3. What is the process to place the order?

A. send us the drawings to get a free quotation.

B. we will make a sample for you to check the quality.

C. batch production will be proceed after sample is qualified and our service is accepted.

4. Do you support product customization?

Yes, all the customized orders are welcomed.

5. The surface treatment type we can handle?

Powder coating, paint, polish, brushed, galvanized, anodized.sand blasting.

6. What is the payment method?

Samples are paid via Paypal and T/T is 100% paid.

Bulk orders: T/T 30% prepaid, the balance should be paid before shipment.

7. Which Shipment way is available?

1. By sea to your nearest port. 2. By air to your nearest airport. 3. By express (DHL, UPS, FEDEX, TNT, EMS) to your door.
